## ORDERING INFORMATION

### PLEASE READ

CONFIRMATION will be sent unless shipment is to be made within three weeks.

### ON SHIPPING:

Plants are shipped in spring and fall only.

**SPRING:** Late April to early June. Keep in mind that we are dependent on the weather for field digging. If the snow is late in melting off the fields, we cannot guarantee April delivery. Please remember that our early dug plants may show no leaves at all — do not be alarmed! Preference for the earliest shipping dates is given to our southern-most customers first. Orders received after the last week in May may be scheduled for fall shipment, and we will send a note to this effect.

**FALL:** Early September to mid October. This is an excellent and safe time to plant perennials (we can safely plant until mid October in Vermont). Our southern customers should explore this option, as it is difficult for us to get our field-dug plants to you in time for your normal spring planting season.

**PREFERRED SHIP DATE:** Specify if you have a preferred ship date. We will try, but are unable to guarantee a particular date, as the weather often intervenes. It is important that you let us know when you *cannot* receive plants.

**FALL SHIPPING:** If a plant is marked 'Fall Shipping Only', separate shipping charges apply.

**DELIVERY ADDRESS:** Give us an address where a parcel can be left off in case no-one is home. Please be sure to specify Rd., Ave., St., Blvd., etc.

**DELIVERY METHOD:** Plants are normally sent via US Post Priority.

**PLANTS TO:** CALIFORNIA, OREGON, WASHINGTON AND NEW MEXICO

Your plants will be sent bareroot, to comply with agricultural regulations. To de-pot and prepare potted plants, there is a \$1.00 per plant surcharge. If plants are listed as Field Divisions, they are normally sent bareroot, and so no add'l charge.

### SHIPPING CHARGES ARE BASED ON YOUR ADDRESS

Based on percentages, depending on the state. Please find your Zone below, and find percentage charges on front. Please remember that there is a minimum charge.
